

Conrad Dabiet, CFA
Managing Director and Portfolio Manager
Manulife Asset Management Limited

Conrad Dabiet, CFA, is a portfolio manager for the Canadian Value Equity team at Manulife Asset Management that manages both value equity and income mandates. He is the co-manager of the Team's income based mandates which include the Canadian Balanced High Income Strategy and the Dividend Income Strategy. Prior to joining the Canadian Value Equity team in 2005, Conrad completed Manulife Financial's Investment Division Rotational Program, which is designed to attract high caliber, junior professionals and develop their skills in a variety of core competencies within the organization.
