

Steve Belisle, CFA
Senior Portfolio Manager,
Managing Director
Manulife Asset Management

Steve Belisle, BBA, MSc, CFA, is a senior portfolio manager, Managing Director with the Manulife Canadian Fundamental Equity Team. He is in charge of the analysis of the Canadian financial and real estate industries. In addition, he is the lead manager of Dividend Income, Diversified Income and Tactical Income Funds, as well as co-manager of the Dividend Growth and the Monthly Income Funds.

Steve joined Manulife Asset Management when Standard Life's Canadian operations were acquired by Manulife in January 2015. He began his career at Standard Life Investments as a research assistant following his involvement in the Standard Life/HEC Student Fund, a \$5 million (CAD) portfolio managed by business school students. Steve is a CFA charter holder.
