

Susan Da Sie, CFA
Senior Managing Director,
Senior Portfolio Manager
Manulife Asset Management

Susan Da Sie, BComm, CFA, is a Senior Managing Director, Senior Portfolio Manager with the Manulife Canadian Fundamental Equity Team. She is responsible for Manulife's Canadian equity investment policy and performance in Montreal for a suite of Dividend/Income products. In addition she is a member of the Asset Mix Strategy Committee. Susan has portfolio management responsibilities, co-managing a suite of Dividend/Income Funds including the Manulife Canadian Monthly Income Fund and the Canadian Dividend Growth Fund.

Susan joined Manulife Asset Management when Standard Life's Canadian operations were acquired by Manulife in January 2015. She joined Standard Life Investments in 2007 as a Vice-President with the Equity Team, bringing 27 years of investments experience with her. Prior to that, in 2003, she worked at CIBC Global Asset Management as a Vice-President. Susan holds a Chartered Financial Analyst Designation.
